## Skin Affair

Skin Affair is COSMOS Organically certified skincare with globally sourced ingredients to nourish, strengthen and soothe your skin. Discover the difference.

### Classic Journey (deep cleanse)

A specialised treatment which includes a combination of deep pore cleansing, facial extractions and a probiotic cream mask which assist with the absorption of excess oil and impurities, to refine the skin's texture.

45min

R395

### Wellness Journey (hydrating/brightening facial)

A corrective and active facial created to reverse the signs of premature aging and sun damage. This results oriented facial includes a double exfoliation and two masks to reveal a brighter, vibrant and more refined complexion.

60min

R595

### Premium Journey (signature facial)

This is our age-defying, award-winning facial. Combining organic serums, along with unique and original massage throughout the facial creates an experience in deep hydration and nourishment with immediate results.

Includes cutting edge exfoliation with a cooling effect, to minimize inflammation and redness, while reducing puffiness and improving texture.
